Office of General Counsel

15 May 1956  
H. R. 10878

This Bill would extend the time and broaden the provisions of the Refugee Relief Act of 1943. To the extent that this extension and broadening might permit persons 25X1 [redacted] to be brought in under the terms of the Act, its effect would appear to be beneficial; there appear to be no provisions in this Bill to which the Agency should object.
